

PUBLIC NOTICE
Request for Qualifications (RFQ)
Consultant Services For
Future Aviation Development – Landside Engineering
MidAmerica St. Louis Airport, County of St. Clair, Illinois
Solicitation No. 2020-24

Owner: The Public Building Commission of St. Clair County, Illinois (PBC), as owner, operator and sponsor of MidAmerica St. Louis Airport (the Commission and St. Clair County collectively hereinafter referred to as the “Owner”) hereby gives notice that Statements of Qualifications (SOQ) will be received from qualified consultants to provide professional services for a Future Aviation Development for MidAmerica St. Louis Airport (BLV). The consultant retained for this project shall supply all engineering services as necessary to provide the landside design and construction phase services for the Future Aviation Development.

Scope of Services: The consultant retained for this solicitation shall supply professional services necessary to provide complete project design, construction inspection services, and special services or studies as necessary for the Landside Engineering associated with a Future Aviation Development project.

Qualifications: Consultants submitting a SOQ must be prequalified with the Illinois Department of Transportation (IDOT) in Airport Construction Inspection, Airport Design, Traffic Studies, and Roads and Streets.

DBE Participation: St. Clair County promotes equal opportunities and encourages participation by Disadvantage Business Enterprise firms. A goal of 7.00% DBE participation has been established for this project.

Pre-Submittal Conference: A non-mandatory Pre-Submittal meeting will be held by video conference scheduled for 11:00 am on 10/06/20. Plan holders will be provided with video conferencing information.

Submittal Rejection: This RFQ does not obligate the Owner to execute an Agreement with any consultant nor to pay any cost incurred in the preparation of any SOQ submitted in response to this RFQ. The Owner reserves the right to reject any and all submittals, waive any informalities in submittals, or to accept a submittal which best serves the interests of the Owner.

RFQ Documents: The RFQ is available effective 8:00 A.M., September 22, 2020. Consultants interested in submitting an SOQ may request the RFQ from the Airport Department of Engineering & Planning by e-mail (alice.tejada@flymidamerica.com). The RFQ and subsequent addenda (should there be any) will be distributed exclusively **via e-mail**.

Time and Place of SOQ Submittal: SOQs will be received **until 10:00 a.m. (local time) on the 19th day of October 2020** in the Airport Department of Engineering & Planning. The SOQ must be submitted in accordance with all submission requirements set forth in the RFQ. Facsimile submittals are not acceptable. Late proposals will not be accepted. Questions must be directed in writing as detailed in the RFQ.
