TERMINAL APRON EXPANSION – PROJECT 1

GENERAL: The Illinois Department of Transportation (IDOT) is letting a construction project at MidAmerica St. Louis Airport. This notice is being provided for additional project exposure only.

The project information is defined by IDOT at the following website:
<https://webapps1.dot.illinois.gov/WCTB/LBHome>.

TIME AND PLACE OF BID OPENING: Visit the IDOT Transportation Bulletin website for information on how to submit using Electronic Bidding (EBids) for this project. The letting is scheduled for June 16, 2023 at 12:00 PM.

<https://webapps1.dot.illinois.gov/WCTB/LBHome>

SCOPE OF WORK: This project includes but is not limited to construction of new Terminal Apron Expansion, drainage improvements, expansion of the existing glycol system, installation of new edge lights and apron lighting and other electrical improvements, apron and roadway markings, seeding/sodding/mulching and other erosion control measures.

PRE-BID CONFERENCE: A voluntary pre-bid meeting will be held on Wednesday June 7, 2023 at 11:00 AM in the MidAmerica St. Airport Terminal Building at 9656 Air Terminal Dr., Mascoutah, IL 62258. Enter the center doors and park in the terminal lot. Free parking is available for up to 3 hours. For engineering information, contact Tom Morris, P.E. of Crawford, Murphy and Tilly, Inc. at (314) 571-9080.

BIDDING DOCUMENTS: Visit the IDOT Transportation Bulletin website for information on how to obtain bidding documents using Electronic Bidding (EBids) for this project.
